Co-founded in 2009 by Sylvia Aimerito and Lori Rae Martin, AudioGirl Ministries is a pro-life 501©(3) non-profit dedicated to saving the lives of our unborn brothers and sisters and providing hands-on support to new moms in need. Support and membership includes Catholics, Protestants, and non-denominational groups and organizations - all working together to end abortion.

AGM uses primarily three powerful tools: **PRAYER, ACTION,** and **KNOWLEDGE.**

Prayer and Action arms of the ministry include:

- Peaceful prayer vigils outside of local abortion clinics
- A monthly *Rosary for Life* and *Mass For Life*
- Leading the Long Beach chapter of the *40 Days for Life* prayer campaign
- Support of new moms in need of diapers, clothes and other necessary baby items
- Raising money for ultrasound machines for pro-life pregnancy centers. Once a woman who is considering having an abortion, SEES the image of her unborn child --- there's an 85% chance that woman will choose life for her baby.
- The live performance of *The Living Stations of the Cross* on Good Friday, an event produced by the ministry, performed by St. Cornelius parishioners in full costume, including original music.
- The sale of *The Living Stations* accompaniment CD, AGM bracelets, and doggie bandanas at public events and workshops.
- The AudioGirl Ministries on-line store where shoppers can feel great knowing that every penny of every purchase helps save a baby's life.
- A yearly baby bottle drive, "Pennies From Heaven."

The 3rd tool - **KNOWLEDGE** is provided SIX ways:

- Through their website, AudioGirlMinistries.com, a well-stocked source of helpful information
- The pro-life tutorial, *The Power of 7: 7 Effective Replies to 7 Common Pro Abortion Arguments* available for download *free of charge* at AudioGirlMinistries.com and also as an *iTunes* Podcast
- *Power of 7* in-person presentations to groups and organizations who want to learn how to defend their pro life position
- Sponsoring and providing workshops: Sidewalk Training, Grief Counseling Training
- Pro Life films and audio presentations. Using their background in broadcasting, voice over, music, and entertainment, Sylvia and Lori use their professional experience and skills to produce pro life films, audio/visual presentations, and music that inspire and promote the pro life position as well educate others about the sanctity of life.
